## APRIL FIELDS

This small stitchery is super versatile and can be used across a wide range of different projects, although it was designed specifically for the Astra Mini Bag pattern by Little Moo Designs. It's a great little hunting bag, project bag or even a gift bag.

You can work the simple stitchery design by following the Stitch Guide, or you might like to stitch it a little differently. You can easily add more details to the design if you'd like, perhaps more flowers in the field, a flower crown on the bunny, a "Happy Easter" message - you're only limited by your imagination!

Head to [www.littlemoodesigns.com](http://www.littlemoodesigns.com) for the Astra Mini Bag Pattern.

# STITCH GUIDE

## BUNNY

Stitch the outline of the Bunny in brown, in Stem Stitch using two strands of cotton.

## BUNNY EYES AND NOSE

Stitch the outline of the Bunny's eyes and nose in Stem Stitch in black, using two strands of cotton and then fill with stem stitch. Use a small amount of the grey white thread to stitch a French Knot or one or two small Straight Stitches to create the white of the eye.

## GRASS

Stitch the grass in green single Straight Stitches using two strands of cotton.

## EASTER EGG

Stitch the outline of the egg in blue, in Stem Stitch using two strands of cotton.

Stitch the yellow decorative line in Fly Stitch using two strands of cotton.

Stitch the pink lines of decorative line in Couching stitch using four strands of cotton as the solid base line and one strand of cotton as the holding stitch.

Stitch the solid green decorative lines in Stem Stitch using two strands of cotton.

Stitch the scalloped green lines in Fly Stitch using two strands of cotton.
